## Holiday Cookie Frosting

### Ingredients:

2/3 cup unsalted butter, softened  
2 2/3 cups confectioner's sugar  
2 to 3 tablespoons milk

3/4 teaspoon vanilla extract  
Food coloring (red, green, white)

### Directions:

Beat butter, sugar, milk, and vanilla in a mixer until smooth. If frosting is too thick, add a little more milk. Divide frosting into several small bowls. Add a different color of food coloring to each bowl. Mix. Glaze each cookie with a different holiday color.
