

## WHITE ICING

**ACTIVE TIME** 5 MIN. **TOTAL TIME** 5 MIN. **MAKES** 1½ CUPS (ENOUGH TO GLAZE ONE 8-INCH CAKE)

*Versatility is the name of the game with this icing. Substituting liqueur, milk, or another citrus juice for the lemon juice lets you customize the icing for a variety of cakes. It's especially delicious drizzled atop loaf cakes.*

4½ cups confectioners' sugar  
¼ cup plus 2 tablespoons  
fresh lemon juice  
(from 2 lemons), plus  
more if needed

Whisk together sugar and lemon juice until smooth. If icing is too thick, add more lemon juice, 1 teaspoon at a time. Use immediately.
